

The League of Women Voters Cleveland Area has been working with other organizations to oppose the move of the Port of Cleveland, as proposed by the Cleveland-Cuyahoga County Port Authority, to the site of the current Cleveland Lakefront State Park, East 55<sup>th</sup> Street Marina.

We are pleased to announce that the LWV Cleveland Area is now a member of the ***Cleveland Lakefront Alliance***, along with other organizations that oppose the move of the port. For information on the CLA and what you can do to become involved, please check out their website: [www.saveourshore.org](http://www.saveourshore.org).
